What is Three Rivers Middle College?
- A state-supported magnet high school for grade 11 & 12 students
- A high school located on a college campus
- A dual enrollment high school
- There is no tuition for families to this school

Where is Three Rivers Middle College located?
Located on the Three Rivers Community College campus • 574 New London Turnpike • Norwich, CT 06360

What does dual enrollment mean?
- A program offering two years of high school and up to one-year of college coursework in two years
- A chance for many students to earn their high school diploma and be on their way to earning an associate’s degree by the time they finish their high school requirements

What are the major career pathways available for exploration and development by the dual-enrolled students of TRCC/TRMC High School?
- Business and Finance
- Engineering Technology
- Hotel/Hospitality Management

Who might want to attend TRMC High School?
- Students who are anxious to complete their high school program while focusing on their college/career development
- Students desiring personalized learning and academic support
- Students who are ready to take advantage of the academic and cultural resources of the college campus
- Students who benefit from faculty mentors who know them well and provide close mentoring and support
- Students desiring college level coursework in one of three major career pathways featured at Three Rivers Community College

For more information Please call: 860-885-2665
What academic background and preparation should students have to enter TRMC High School?

• Successful completion of grade 9 and 10 coursework to qualify for junior year academic status
• Adequate performance on the CAPT
• Preferably 11-12 credits to transfer in as a full-fledged grade 11 student at TRMC *
• Social/emotional maturity to begin taking ownership of their academic, career and civic responsibilities

*If a student is deficient in credits and is accepted to the school through the application/lottery process; the school personnel will work with the student on an individual basis to create a Student Success Plan to earn the additional credits needed to graduate.

When is the first day of school? What are the school hours?
The first day of school is Wednesday, August 29, 2012. School will be from 7:40 AM to 1:50 PM

How are students chosen for this program?

• If more students apply than seats available for the 2012/2013 school year, a lottery will be held in August
• Students will be notified of their admission status by August 14, 2012

Is there a school cafeteria and will school meals be provided?

• Yes, a school cafeteria is located on campus for purchasing breakfast & lunch

Is transportation provided?

• Transportation may be provided by the sending school district. Families will need to communicate with the Superintendent’s office of their home school district to arrange/discuss transportation.

Does TRMC High School offer CIAC sports?

• CIAC sports are not offered at TRMC High School, but students may participate in clubs/intramural activities offered by the college.

Must a student enroll at Three Rivers Community College after graduation from TRMC High School?

• All TRMC High School graduates may consider TRCC as a college option in addition to other colleges and universities.

Will TRMC High School follow the college calendar schedule or the public school calendar schedule?

• The TRMC High School will follow the regional public school calendar and the weather-related closings of TRCC and Norwich Public Schools.

How does one apply?

• Complete the student application found on the TRCC website or in the main office
• Submit to the address listed on the application on or before August 10, 2012
• Questions regarding the application process should be directed to Doreen Marvin, Director of Development at LEARN 860-434-4800 ext. 185 dmarvin@learn.k12.ct.us (LEARN Regional Educational Service Center is a collaborative partner in this program and is the fiscal agent for the school. The Director and staff will also be LEARN employees.)
