

# Login to TRCC Wireless Network/ Wi-Fi

To login to the TRCC wireless network when on campus, take the following steps. The following steps are for a Windows 10 operating system, but the steps are comparable in older systems.

1. In the bottom right-hand corner of the Task Bar, click the wi-fi symbol.

2. The wi-fi menu will open.

3. Choose by clicking (or touching) the **ConnSCU** link. Do NOT choose Voice, Guests, or Provision links.

4. The ConnSCU link will expand and give you the option to connect to the network. Make sure the **Connect Automatically** check box is checked and then click the **Connect** button.

5. A box will expand to allow you to enter your **user name** and **password**. Your user name is your student ID number (eight-digit number).

## Login to TRCC Wireless Network/ Wi-Fi

6. You may get a dialog box asking if you are sure you want to connect to the network. Click the **Connect** button.

7. When the computer is connected, the menu may remain open. The connection process is done if it shows as **Connected** or **Connected, Secured**. Do NOT click the Disconnect button
