

How to...Copy a Quiz, Test, or Exam to a Different Course

To copy a specific quiz or other Blackboard assessment, take the following steps.

1. Open the course that contains your assessment. Then navigate to the Control Panel.
2. Click Export/Archive Course.

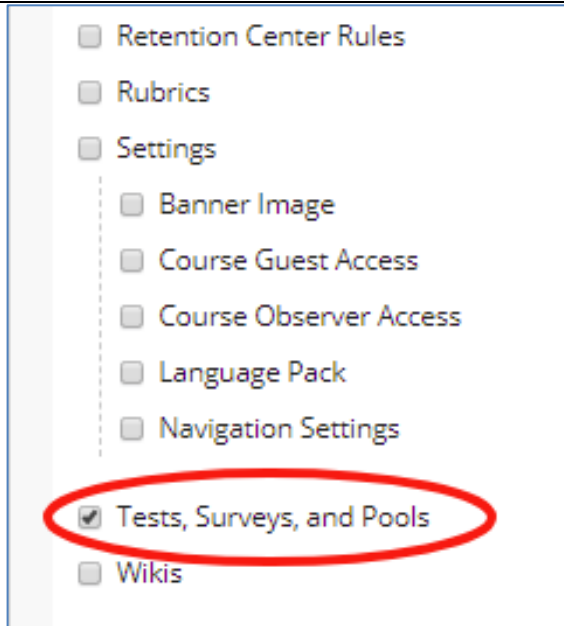

3. On the resulting page, click the Export Package link.

5. The yellow success ribbon will be displayed if everything went normally.

Success: This action has been queued. An email will be sent when the process is complete.

Export/Archive Course

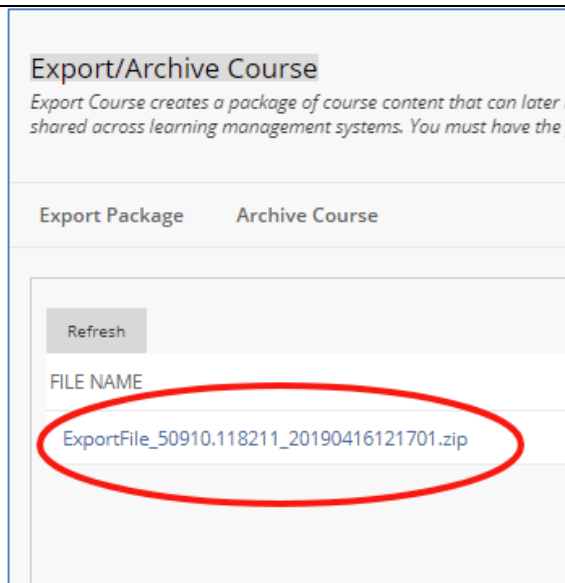

Export Course creates a package of course content that can later be imported into the same course or a different course. You must have the proper permissions to perform these operations.

Export Package Archive Course

6. When the export is finished, you will receive an email. You will also be able to return to the Export page and see an export package file.
7. Click the file to download it to your computer or portable storage.

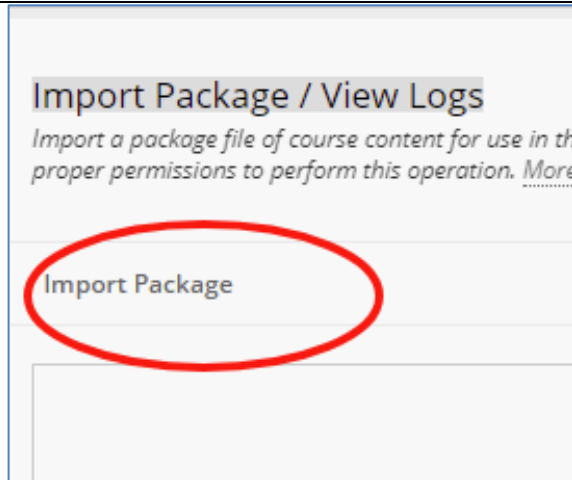

8. In the new course, navigate to the Control Panel and then expand Packages and Utilities.
9. Click Import Package/View Logs.

13. Click the Submit button in the bottom right-hand portion of the browser.

14. You will see the magenta success ribbon if everything went normally and receive an email when it is complete.

Note: importing the assessment does not deploy it in the course content.
