How to Login to the Blackboard using the Mobile Applications

To login to the Blackboard using the Blackboard apps, take the following steps.

1. Download the Blackboard Learn application via Google Play Store for Android or the App Store for iOS. After installing and opening the app, you will eventually reach an empty screen with a search bar in the middle of the screen. Type in Connecticut and various schools should appear. Select the Connecticut Community Colleges since Three Rivers is a part of that system.

2. A pop-up will inform you that the institution will require you to log in through their website. If you don’t want the pop-up to appear again check the No need to show this again option. Then select Got It.

3. A login page should load which will enable you to type in your Student ID (only the 8 digit number) and myCommnet password. After you have put in the required information select the Login button.

4. You will be taken to the Dashboard. From here, you can see the courses you are currently enrolled in. If you want to see the syllabus, assignments, or other things pertaining to a certain course. Simply tap on the course’s name. If there is new material added to the course, a number will appear to the right of the course’s name.
