

Wiki – Creating and Editing a Wiki

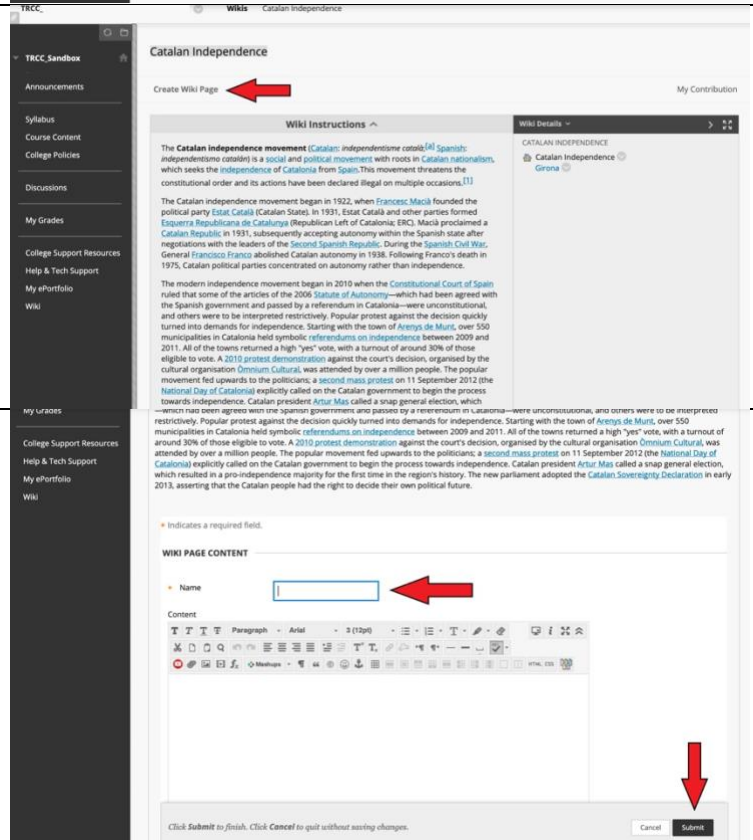

To create and edit a wiki, take the following steps.

1. While on the course page, click on Wiki. Your professor may give the Wiki a specific title, if so, look for that title.

The screenshot shows the Blackboard interface for a course titled 'TRCC Sandbox_Floyd_001'. The left-hand navigation menu includes links for Announcements, Syllabus, Course Content, College Policies, Discussions, My Grades, College Support Resources, Help & Tech Support, My ePortfolio, and Wiki. A red arrow points to the 'Wiki' link in this menu. The main content area displays an 'Announcements' section with a 'Welcome to the course!' message dated Monday, November 21, 2016 10:23:09 AM EST. The message is from Ken Barfield and provides instructions for students regarding the Blackboard platform.

2. On the next page, click on Create Wiki Page..

The screenshot shows the Blackboard Wiki page for 'Catalan Independence'. The left-hand navigation menu is visible, with a red arrow pointing to the 'Wiki' link. The main content area shows the 'Catalan Independence' page with a 'Create Wiki Page' button highlighted by a red arrow. Below the button, there is a 'Wiki Instructions' section and a 'Wiki Details' sidebar. The 'Wiki Instructions' section contains text about the Catalan independence movement, including its history and the 2010 referendum. The 'Wiki Details' sidebar shows the page title 'CATALAN INDEPENDENCE' and the location 'Grona'. At the bottom of the page, there is a 'WIKI PAGE CONTENT' section with a 'Name' field and a 'Content' area. A red arrow points to the 'Name' field, and another red arrow points to the 'Submit' button at the bottom right of the page.

3. On this page, you can add a name and add content to your wiki page. Once you're satisfied with your content, click *Submit*.

Wiki – Creating and Editing a Wiki

4. If you want to edit your Wiki page, scroll down the wiki page and click on *Edit Wiki Content*. This will bring you back to the screen in step 3.
