1. Basket Drive – Betty Baillargeon

- Betty Baillargeon reported on the new Basket Drive initiative. A committee of various members around campus is working on creating baskets to raffle off this spring to benefit the departmental awards scholarships. She is asking that each department on campus created a themed basket for the raffle. The baskets will then be put on display and staff and students will be able to buy tickets and take a chance to win. All of the money raised will be split evenly among the departmental awards accounts.
