Dear Students,

My online course is open for student registration. Follow these steps to get started. If you need additional guidance, consult the support site, especially the system requirements which list recommended browsers.

Go to http://www.macmillanhighered.com/launchpad/myers11einmodules/5872142

Bookmark the page to make it easy to return to (although note the the URL will look different due to security measures).

Enroll in this course using one of the following options:

If you have an access code, select "I have a student access code", enter the code exactly as it appears on the card, and click Submit.

If you don't have an access code, either purchase a text package that includes one OR click "I want to purchase access" and follow the instructions.

If you need to start working but can't purchase right away, select "I want temporary access" and follow the instructions. Please note: Your grades are linked to your Launchpad account username (email address). If you use temporary access, make sure you purchase or register your code using the same email address for your paid access.

If you have problems registering, purchasing, or logging in, please contact Customer Support.

You can reach a representative 7 days a week:
