### **Grading and Classroom Policies:**

There are four semester exams in addition the average of the homework assignments are counted as a semester exam. If a semester exam is missed it is a zero. I will drop the lowest semester exam grade (Exam 1, 2, 3, 4 or Homework Average).

### **Homework Manager:**

I do not accept homework by email for credit.

The website address for homework submission is on your course homepage and this syllabus. You will have until the end of the semester to complete the assignments (**May 13**). I strongly urge you not to wait until the end of the semester to do them but to keep up each week. You will have an unlimited number of submissions for each assignment. I average only the highest grade for all submissions for each assignment. This approach allows you to practice and get a good grade on the assignments. The average of the assignments will count as one semester exam.

### **Attendance Policy:**
