XI. College Withdrawal Policy

A verbal “drop or withdrawal” from course(s) cannot be accepted by the instructor. Students must complete the required form and file it with the Registrar's Office. Students may drop or withdraw from a course up to the 12th week of the semester; the exact ending date for the drop period is listed in the academic calendar.

XII. Instructor's Attendance Policy

Consistent attendance at class meetings is crucial to success in this course. You are expected to attend all classes in order to receive full benefit from instruction. Absence must be communicated in advance to instructor (multiple emails & Phone# provided – communication is critical to group process!)

XIII. Academic Dishonesty

Conduct which as its intent or effect the false representation of a student's academic performance and/or knowingly and intentionally assisting another student to do so in any way constitute academic dishonesty. In the event of academic dishonesty, the College's policy will be enforced. A full dissertation of said policy is available on the TRCC website.

XIV. Electronic Devices etc.

Students are notified that cellular phones are allowed in class or in the Learning Resource Center only if they are turned off or turned to a silent mode. Under no circumstances are phones to be answered in class. When there are extenuating circumstances that require that a student be available by phone, the student should speak to the instructor prior to class so that together they can arrive at an agreement. Tablets and other technology are welcomed as long as they are being used for note taking purposes.

XV. Digication Portfolio

All students are required to maintain an online learning portfolio in Digication that uses the college template. Through this electronic tool students will have the opportunity to monitor their own growth in college-wide learning. The student will keep his/her learning portfolio and may continue to use the Digication account after graduation. A Three Rivers General Education Assessment Team will select and review random works to improve the college experience for all. Student work reviewed for assessment purposes will not include names and all student work will remain private and anonymous for college improvement purposes. Students will have the ability to integrate learning from the classroom, college, and life in general, which will provide additional learning opportunities. If desired, students will have the option to create multiple portfolios

Use this syllabus as you will, the choice is yours. CJS K253 requires a significant amount of communication through diverse formats to include YOUR writing. Great opportunities to participate and submit work to the digication process will occur through our journey in CJS253..
