

THREE RIVERS COMMUNITY COLLEGE
ENVIRONMENTAL RESEARCH PROJECT LAB

SP 2015

PROPOSED SCHEDULE

All Classes Are Subject To Change

Text: None

Instructor: Diba Khan-Bureau

Lab Tech & Assistant: TBD

Friday 4:45-6:15 PM - Meet Weekly Room B125

E-Mail: dkhan-bureau@trcc.commnet.edu

- **REGULAR ATTENDANCE AND CLASS PARTICIPATION IS EXPECTED OF EACH STUDENT.**
- **FIELD WORK IS REQUIRED - DATES TBD.**
- **YOUR Mission this semester is to perform educational and community outreach activities which WILL include:**

Work on the Rain Garden with NOFA and Dr. Mike Dietz! This is exciting!

Mentoring the Norwich Tech BioTechnology students! – new project.

RBV date to be determined but will be in late April early May on a Saturday so plan ahead

Salem elementary school or other elementary or high school visit

Amphibian walk!! YIPPEE. It means that spring has sprung. Listen to the peep frogs.

DEFINETELY work on the greenhouse, gardens, and TRUE (Three Rivers United Environmentalists)!!!

Our class may visit UConn. I would expect that many of you would carpool. Visting UConn hasn't been determined yet.

There will be days that we will go out in the field or meet at an elementary school. We can discuss this further in detail when information becomes available.

Often the class will begin earlier and be through sooner depending on where we are visiting or what community educational outreach activities we are doing.

Students are required to determine what outreach activities we will perform and discuss it in class with me.

Below are some goals and these goals can change. We will discuss our goals on a weekly basis and change them accordingly.

Please provide the most up-to-date contact information. This information will be utilized by your professor in this class and the other student leaders/assistants.

We will be enjoying star gazing with Bob Crelin

We WILL be performing the RBV on Saturday in late April early May - Date TBD!!

Amphibian Walk, Salem School, and other activities!!

You will mentor the newer STRONG-CT students and those students that have never been on a rapid bioassessment.

Your participation is required. You will have a portfolio due at the end of the semester to determine if you met your goals. You will provide a powerpoint presentation during the semester outlining your goals and future goals in STEM related disciplines.

Withdrawal: http://www.trcc.commnet.edu/Div_academics/Admin/calendar.shtml

Incomplete: An incomplete must be finished within 60 days of the last day of the semester.

Disabilities: If you have a disability that may affect your class performance please come see me as soon as possible.
