## Syllabus: Spring 2016

### Required Texts:

David Shi and George Tindall. America: The Essential Learning Edition Volume 2.  
Sinclair, Upton. The Jungle. You may purchase this book on your own or read it in its entirety at:  
[http://www.literatureproject.com/jungle/index.htm#TOC\\_Section\\_2](http://www.literatureproject.com/jungle/index.htm#TOC_Section_2)

In addition to the above texts a series of primary and secondary source handouts, assignments, sample papers and guidelines, will be provided on my **Blackboard** site.

**Course Description:** US History II traces developments in American history from 1865 to the present focusing on political, economic, social, and cultural developments.

### Course Outcomes:

- 1) Explore the complexity of the human experience;
- 2) Develop a body of historical knowledge explaining the dynamics of change over time;
- 3) Interpret and contextualize the past on its own terms;
- 4) Evaluate a variety of historical sources, primary and secondary, for their credibility and utility;
- 5) Generate a historical argument that is reasoned and based on historical evidence;
- 6) Combine argument and evidence into effective narrative that describes and analyzes the past.

**Attendance:** Lectures in this course complement and supplement the assigned readings they do not repeat them. As a consequence, your attendance is, in this course, a requirement. Each class represents a full week of academic instruction. More than two missed classes will result in a reduced grade (one-full letter grade for each additional class). Chronic lateness will be treated as an additional absence. You must sign the attendance sheet prior to each class. See me about any anticipated unavoidable absence well before the date in question.

### Assignments/Exams:

- ❑ **Five critiques** (about **one [+] page[s]** in length) on the articles assigned from the readings I provide on BlackBoard or from handouts provided in class.
- ❑ **Research Paper** (five pages in length excluding the works cited page) the paper must be submitted to me in hard copy as well as a PDF file along with a submission to your **Digication** portfolio.

**Topic:** *To what extent did the economic, political and social changes that occurred in the United States between the years 1865-1925 influence the ebb and flow of migration to this country?*

- ❑ **An Analytical Book Review** (3-4 pages in length, book must be a minimum 200 pages in length, either nonfiction or fiction) Book of your choice dealing with a topic/subject in American history 1865-1900.
- ❑ \* A series of **quizzes** on readings from the text (if needed). You will take these quizzes at the beginning of class. Quizzes should last no longer than 15 minutes.
- ❑ **Test** on the book The Jungle by Upton Sinclair.
- ❑ A **mid-term** and **final exam**.

\*In order to be successful in this class, you must read the assigned material carefully and participate regularly in class discussions. If classroom discussion is unusually weak or lacking, quizzes will take its place. The purpose of a quiz is to test that which would normally be determined through vigorous class discussion; therefore, when discussion is weak or limited to only a few students, a quiz will surely follow.

**Grading Policy:** Your grade in this class will be determined by the average of the total amount of points received on all assignments.

#### **Further Notes**

- ❑ Quizzes and critiques missed due to absence or lateness cannot be made-up.
- ❑ Unless there are extenuating circumstances, absence from the mid-term exam must be made up prior to the next class. Absence from the final exam must be made up by May 15<sup>th</sup>. It will be your responsibility to make arrangements with me to make up exams.
- ❑ Late papers (i.e. book reviews, research papers, major essays, etc.) will lose one letter grade per day...There **will be no exceptions**. If you know you are going to be absent from class on the date a paper is due either turn in the paper a week before or e-mail me the paper as an attached file before the start of class on the due date. Make sure you request a confirmation email from me.
- ❑ Each of the assigned papers must be typed. Papers must use 10 to 12 point Times New Roman font (or a similar type font). **MLA format** will be followed for headings, headers, in-text citations and works cited pages (when applicable). Papers that do not meet the required length will be penalized accordingly.
- ❑ Cell phones are NOT to be used in class.
- ❑ **Check your e-mail**. It is rare that I miss class. In the event that I do, I will notify you as soon as possible well before the start of class. It is your responsibility to check your email regularly (especially on the day of class) for updates.

Please be advised that the instructor reserves the right to change or modify the syllabus.

**College Withdrawal Policy:**

Students may withdraw, in writing at the Registrar’s Office, for any reason until the end of the 10<sup>th</sup> week of classes. From the end of the 11<sup>th</sup> week through the end of the 13<sup>th</sup> week, a student may withdraw with the signature of the instructor or advisor.

myCommNet Alert is a system that sends text messages and emails to anyone signed up in the event of a campus emergency. Additionally, TRCC sends messages when the college is delayed or closed due to weather.

All students are encouraged to sign up for myCommNet Alert. A tutorial is available on the Educational Technology and Distance Learning Students page of the web site.

### **Digication Statement:**

All students are required to maintain a learning portfolio in Digication that uses the (Three Rivers) College Template. Through this electronic tool, students can see their own growth in college-wide learning. The student can keep and continue to use the Digication account after graduation. A Three Rivers General Education Assessment Team will select random works to improve the college experience for all. No names will be attached to the assessment work; it will remain private and anonymous for college improvement purposes. In class outlines, students will find recommended assignments which support various college-wide learning abilities. The student will have a tool which can integrate their learning from the classroom, school, and life and allow for another opportunity of learning at TRCC! Students will be able to make multiple portfolios.
