Grading and Classroom Policies:

The grading policy is as stated in the Manual of Policy and Procedures on Grades and Quality Points.

Point/Grade Distribution is as follows:

A 94-100	C+ 77-79
A- 90-93	C 73-76
B+ 87-89	C- 70-72
B 83-86	D+ 67-69
B- 80-82	D 63-66

Grading and Classroom Policies:

There are four semester exams in addition the average of the homework assignments are counted as a semester exam. If a semester exam is missed it is a zero. I will drop the lowest semester exam grade (Exam 1, 2, 3 or Homework Average), **but I will not drop the last exam grade.**

Homework Manager:

I do not accept homework by email for credit.

There are two types of assignments in the course. There are graded assignments and practice assignments. The purpose of both is to further your understanding of the chapter content. The best approach is to complete the assignments week by week as opposed to waiting until the due date (May 11) to complete the assignments. The practice assignments are ungraded.

The website address for homework submission is on your course homepage and this syllabus. You will have an unlimited number of submissions for each graded assignment. I average only the highest grade for all the graded submissions for each assignment. This approach allows you to practice and get a good grade on the assignments. The average of the assignments will count as one semester exam.

Attendance Policy:

Participation in online office hours is optional. I provide office hours to allow you to ask questions in real time. You may always email your questions to art@abraza.com The schedule of office hours is included in this syllabus and is by appointment.

Students who do not withdraw, but stop attending/making progress will be assigned an "F" signifying a failing grade. Eligibility for a refund of tuition is based upon the date of withdrawal when received by the Registrar.
