## Methods of Evaluation

### 1. Tests and Final Exam: 50%

A total of 4 tests will be given during the semester. A student who has at least a B average (at least an 83 average) on the 4 tests can elect to **not** take the final exam. If a student takes all 4 tests and the final exam, the lowest grade on a test will be dropped. A student who does not take all 4 tests must take the final exam and no test scores will be dropped. **There will be no make-up tests.**

### 2. Attendance: 10%

Students are expected to attend and to be on time for all classes. A student who is absent more than 6 classes will lose the following points:

- 6 times absent = loss of 4 points
- 7 times absent = loss of 8 points
- More than 7 times absent = loss of all 10 points.
- Students who are frequently late may also lose points.

### 3. Major Project: 16%

A project and its due date will be assigned. Early papers are accepted but **late papers will lose points.**

### 4. Homework Assignments: 24%

All 4 homework assignments must be handed-in at the beginning of the class on the date the report is due. Early papers are accepted but **late homework assignments will not be accepted.**
