

THREE RIVERS COMMUNITY COLLEGE
ENVIRONMENTAL RESEARCH PROJECT LAB

Fall 2015

PROPOSED SCHEDULE

All Classes Are Subject To Change

Text: None

Instructor: Diba Khan-Bureau

Friday 4:45-6:15 PM - Meet Weekly Room B125

E-Mail: dkhan-bureau@trcc.commnet.edu

- **REGULAR ATTENDANCE AND CLASS PARTICIPATION IS EXPECTED OF EACH STUDENT.**
- **FIELD WORK IS REQUIRED - DATES TBD.**
- **YOUR Mission this semester is to perform educational and community outreach activities which WILL include:**

Mentoring new incoming students and the Norwich Tech BioTechnology students! – new project.

RBV date to be determined but will be in late October early November on a Saturday so plan ahead....mentoring Environmental Studies students.

Salem elementary school or other elementary or high school visit.

DEFINETELY work on the greenhouse, gardens, rain garden and TRUE (Three Rivers United Environmentalists)!!!

There will be days that we will go out in the field or meet at an elementary school. We can discuss this further in detail when information becomes available.

Often the class will begin earlier and be through sooner depending on where we are visiting or what community educational outreach activities we are doing.

Students are required to determine what outreach activities we will perform and discuss it in class with me.

Below are some goals and these goals can change. We will discuss our goals on a weekly basis and change them accordingly.

Please provide the most up-to-date contact information. This information will be utilized by your professor in this class and the other student leaders/assistants.

You can visit Blackboard for the course outline and other instructional material. You will be required to have your own **ePortfolio on Digication**. This is where your assignments and photos will be kept. Visit TRCC website go to Learning Resources and then scroll down to ePortfolio to learn more about this requirement.

We WILL be performing the RBV on Saturday Date TBD!!

You will mentor the newer STRONG-CT students and those students that have never been on a rapid bioassessment.

Your participation is required. You will have a portfolio due at the end of the semester to determine if you met your goals. You will provide a powerpoint presentation during the semester outlining your goals and future goals in STEM related disciplines.

Withdrawal: http://www.trcc.commnet.edu/Div_academics/Admin/calendar.shtml

Incomplete: An incomplete must be finished within 60 days of the last day of the semester.

Disabilities: If you have a disability that may affect your class performance please come see me as soon as possible.
