Withdrawal forms are available at the Registrar's office and at the office at the sub-base. Non-punitive "W" grades are assigned to withdrawal requests. An Instructor's signature is required after the deadline has passed. No

withdrawals are permitted after the last class preceding the final exam. Students who do not obtain an official withdrawal, but simply stop attending class receive an “F” grade for the course.

UF (unearned F) Grade:

This notation is awarded to students who were enrolled in a course, did not officially withdraw, but who failed to participate in course activities through the end of the term. It is used when, in the judgment of the instructor, completed assignments and/or course activities were insufficient to make normal evaluation of academic performance possible. Students who receive this notation will have reported on their behalf a “last date of participation” by the assigning faculty member. When saved on the grade roster, this notation will immediately convert to a regular grade of F on the student’s transcript. It will be punitive and count in the GPA. The UF notation is used for internal reporting and will not appear on the student’s transcript.

Plagiarism:

Plagiarism is the unacknowledged use of another person’s words or ideas in your writing. If you use any ideas, thoughts, writing, quotes, or even paraphrase some other writer’s thinking, you must acknowledge that person. Whether conscious or unconscious, plagiarism is a serious academic offence. Consequences for plagiarism can range from failing the assignment to failing the course.
