ATTENDANCE POLICY

Students are expected to attend all class meetings. If a class must be missed for a valid reason, it is the student's responsibility to explain the reason to the instructor prior to the class and to make up the missed homework. Attendance will be taken at each class meeting.

Please note: Students who have more than two unexcused absences from scheduled class meetings will have their final grade reduced by one letter grade, i.e., A to B, B+ to C+, etc.

GRADING ASSIGNMENTS AND EXAMINATIONS

Certain homework problems will be required and must be submitted at each class.

During the semester two examinations will be given. Each exam will carry the same weight for calculation of the final grade.

Makeup exams are not allowed. If you miss a test, you could make it up by taking a final examination at the end of the semester.

Examinations will account for 100% of the final grade.

Homework assignments and class participation can be taken into account for the final grade.
