Educational Objectives:

To introduce you to the basic accounting principles and concepts, the accounting cycle, and financial statements.

Grading and Classroom Policies:

The grading policy is as stated in the Manual of Policy and Procedures on Grades and Quality Points.

Point/Grade Distribution is as follows:

A 93-100	C+ 77-79
A- 90-92	C 73-76
B+ 87-89	C- 70-72
B 83-86	D+ 67-69
B- 80-82	D 63-66
	D- 60-62

A grade below a 60 is an "F"

Grading and Classroom Policies:

There are four semester exams in addition to the average of the homework assignments. The homework assignments are counted as a semester exam. If a semester exam is missed, it is a zero. I will drop the lowest semester exam grade (Exam 1, 2, 3) or the homework average, **but I will not drop the last exam grade.**

Homework Manager:

The website address is on your course homepage and there is a hyperlink on this syllabus. You will have until the end of the semester to complete the assignments. I strongly urge you not to wait until the end of the semester to do them, but to keep up each week. You will have an unlimited number of submissions for each assignment. This approach allows you to practice and get a good grade on the assignments. The average of the assignments will count as one semester exam. Please note that the homework assignments will not be accepted through email.

School Email and Contact:

myCommNet Alert is a system that sends text messages and emails to anyone signed up in the event of a campus emergency. Additionally, TRCC sends messages when the college is delayed or closed due to weather.

All students are encouraged to sign up for myCommNet Alert. A tutorial is available on the Educational Technology and Distance Learning Students page of the web site. This link should be shared with students.

Attendance Policy:

Participation in the chat rooms and conference calls is optional. I provide these sessions to allow you to ask questions in real time. Every 10 days or so, chat sessions and/or conference calls have been scheduled.

Withdrawal Policy:

A student who finds it necessary to discontinue a course must complete a "Withdrawal Request Form" in the Registrar's office. Students who do not withdraw but stop attending, will be assigned an "F" or "N" signifying a failing grade or no grade. See updated school policy regarding "F" and "N". Eligibility for a refund of tuition is based upon the date of withdrawal when received by the Registrar.

Disabilities Statement:

If you have a disability that may affect your progress in this course, please meet with a Disability Service Provider (DSP) as soon as possible. Please note that accommodations cannot be provided until you provide written authorization from a DSP. Contact Matt Liscum 860.383.5240 for the following disabilities: physical, sensory, medical or mental health. Any student who cheats on an exam will receive a grade of ZERO for the exam. Any subsequent cheating will result in a ZERO for the course and possible suspension from the College.
