### **Evaluation Procedures**

Achievement of **all** of the following criteria is required:

- 1) Complete all reading and writing assignments on time.
- 2) Contribute regularly to class discussion.
- 3) Maintain a notebook as instructed.

### **Explanation of Criteria for Evaluation**

#### Reading and Writing Assignments

Reading assignments should be completed before the class for which they are assigned. Effective class discussion is not possible unless the reading has been completed. Likewise, writing assignments should be completed by the due date.

If the student has sufficient reason, late writing assignments will be accepted up to one class after the original due date. However, they will be marked down one letter grade. Likewise, tests and quizzes that must be made up will have an automatic 5 point penalty deducted from the score.

Students **must** complete all major papers and tests to receive any passing grade.

Homework assignments are given to aid the student in mastering important concepts. Homework assignments will not be accepted after the date that they are due.

#### Class Discussion

Frequent, thoughtful participation is expected of all students. In general, a student should plan to spend a minimum of one hour in preparation for each class hour, and to attend each class, so that participation is maximized. If absent, the student should return to class with all assignments complete. There is no excuse for not knowing what occurred in the class.

#### Notebook

A notebook will be maintained by each student to record in-class responses and vocabulary lists. The notebook will be brought to each class.

## Grade Computation

The following is a general breakdown of the final grade:

2 major tests	40%
Written in-class and at home assignments	40%
Quizzes	20%

**Revisions to Syllabus**

The information contained in this syllabus is subject to revision at the discretion of the instructor. Students will be notified of any changes that will be made.

**College Withdrawal Policy**

A student who finds it necessary to discontinue a course once class has met must provide written notice to the Registrar. Withdrawal forms are available at the Registrar's office on both campuses and the office at the Subase. Nonpunitive "W" grades are assigned to any withdrawal requested before the various unrestricted withdrawal deadlines listed in the calendars published in front of each session's course listings. Withdrawal requests received after these deadlines must bear instructor signatures. No withdrawals are permitted after the last class preceding the final exam. Students who do not obtain an official withdrawal, but simply stop attending classes, run the risk of receiving an "F" grade for the course.
