DIVISION OF NURSING

COURSE SYLLABUS

Spring 2014

NUR 203: NURSING CARE OF INDIVIDUALS AND FAMILIES II

COURSE OVERVIEW

Course Pre-requisites

NUR 201: Nursing Care of Individuals and Families I

NUR 202: Pharmacology for Individuals and Families with Intermediate Health Care Needs

Course Co-requisites

NUR 204: Pharmacology for Individuals, Families, and Groups with Complex Health Care Needs

NUR 205 Nursing Management and Trends

Humanities or Fine Arts Elective

Course Components

Credits 8 credits

Hours Classroom: 45 hours

Clinical: 225 hours

Classroom Schedule

Lecture: Thursday, 8:30 a.m.–12 noon in A 216

Course Description

The student will focus on the holistic care of individuals, families, and groups with complex health care needs. The student will incorporate critical thinking, caring behaviors, professionalism, and communication skills when providing nursing care in a variety of acute, long-term and/or community settings. The student will have an opportunity to manage a multi-client assignment with an emphasis on safe and competent practice. An observational experience with a visiting nurse agency will be provided.

Course Objectives

At the completion of this course, the student will be able to:

1. Integrate the principles of holism and nursing theory in providing care to individuals, families and groups with complex health needs.
2. Integrate nursing interventions by utilizing the nursing process in providing care to groups of clients with complex health problems across the life-span.
3. Provide safe and competent care to groups of clients with complex health problems using evidence-based practice, quantitative reasoning and technology.
4. Evaluate the therapeutic communication techniques used in nurse-client interactions.
5. Evaluate the effectiveness of teaching-learning activities that meet the needs of individuals, families and groups experiencing complex health problems.
6. Collaborate with members of the health care team to establish a culturally competent environment that promotes caring behavior.
7. Collaborate with members of the health care team in a variety of settings.
8. Implement strategies to provide accountable and responsible care within the legal-ethical standards of the nursing profession.
9. Support the advancement of nursing practice through life-long learning and political awareness.

Unit Objectives

Refer to class outline for unit objectives.

Clinical Laboratory Experience

Students will gain clinical experience during the semester in each of the following settings: an acute medical-surgical unit and a Mental Health in-patient unit. Clinical agencies used for these rotations will be Westerly Hospital, Westerly, RI; Lawrence Memorial Hospital, New London Connecticut; WW Backus Hospital, Norwich; Connecticut Valley Hospital, Middletown; Natchaug Psychiatric Hospital, Mansfield Center; St. Francis Medical Center, Hartford; as well as selected community agencies in the New London and Norwich areas.

Clinical Sections

Mental Health In-Patient Facilities

Connecticut Valley and Natchaug Hospital M/T days

WW Backus Hospital D1, Tuesday 7-3:30 and Friday 3-11

Clinical conference is included

Uniform if agency required

Professional street dress and college name tags are required

Acute Care Clinical Rotation

Windam Hospital M/T Days

Day Kimball Hospital M/T Days

St. Francis Healthcare: Sat/Sun Days

Backus Hospital: M/T and F/S Eves and Sun Days/Mon Eve

One pre/post conference per week

Student nurse uniform and ID per Student Nurse Handbook required i.e. college name tag and hospital ID badge, required for all clinical experiences.

Clinical Orientations

All groups will attend orientation sessions for mental health and medical surgical rotations where applicable. Times will be announced as per facility availability.

Classroom Lab

Classroom lab for required validation s will be presented as noted on course calendar. Attendance is mandatory and counts as clinical time. As lab is considered clinical time, clinical attire is worn during the clinical labs. Note that the first Mental Health lab will require students to wear casual street attire and TRCC name tag. The subsequent labs and neurological assessment validations will require students to wear complete clinical attire and TRCC name tag.

Observational Learning Activities

All students will participate in observational activities with selected community-based agencies. Date/s of observation will be assigned as specified on your clinical rotation schedule. Please read carefully. Student nurse attire and college ID badge are required. Students must attend assigned observations as scheduled. Observational experiences are part of the required clinical hours and must be successfully completed to receive satisfactory passing clinical grade.

Observational clinical experience reflections will be submitted to the clinical instructor

NURSING DEPARTMENT FACULTY AND STAFF

Edie Ouellet MSN

Acting Director of Nursing and Allied Health Services

Phone: 860-215-9460

E-mail: eouellet@trcc.commnet.edu

Linda Violette-Buisson, Educational Assistant

Phone: 860-215-9301

E-mail: lviolette-buisson@trcc.commnet.edu

Full Time Faculty

Francine J. Wallett MSN (Course Leader)

Phone: 860-215-9484

E-mail: fwallett@trcc.commnet.edu

Pat Colonghi MSN

Phone: 860-215-9477

E-mail: pcolonghi@trcc.commnet.edu

Mary Ann Brescia MSN

Phone: 860-215-9438

E-mail: mbrescia@trcc.commnet.edu

Adjunct or Part Time Faculty:

Melissa Bargnesi, MSN, RN

Laurie Matney, MSN, RN

Heidi Morse, MSN R

Zina Rubin, MSN,RN

Shawna Edwards, MSN, RN

Beth Dowd, MSN, RN

Cindy Arpin, MSN, RN

Lisa Orowson, MSN, RN

Judy Snayd, MSN, RN

Nursing Lab Faculty:

Sue Turner, MSN, RN Lab Coordinator

Phone: 860-215-9482,

E-mail: sturner@trcc.commnet.edu

Kim Myshka Kobelski, MSNc, RN

E-mail: kmyshka@trcc.commnet.edu

Kristen Prendergast, MSN, RN

E-mail: kprendergast@trcc.commnet.edu

COURSE REQUIREMENTS

In order to successfully complete this course, the student must complete **ALL** of the following components:

Theory Component

- Achieve a theory grade of 74 or better based on four quizzes, each worth 18.75% for a total of 75% of the final grade, and one final exam worth 25%

- Grading criteria are:

A 93-100

A- 90-92

B+ 87-89

B 83-86

B- 80-82

C+ 77-79

C 74-76

D+ 67-69

D 64-66

F 0-63

Math Content

- No new math content taught
- There will not be a dosage calculation test at the beginning of the course
- Dosage calculation questions will be included on unit exams
- Students will be expected to demonstrate accurate calculations in clinical

Clinical Component

- Maintain clinical reflection journal
- Complete written assignments:
 - Mental Health: process recording, CLEW psycho-social assessment and care plan
 - Med/Surgical Nursing: Clew as assigned, weekly reflections, out-rotation observation reflections, case presentations.
- Pass the course with a satisfactory clinical evaluation.
 - A weekly conference will be scheduled with his/her clinical instructor for discussion and evaluation **of the student's progress at the end of each clinical week** as documented on the **Formative Evaluation form**. Students are responsible for self-evaluation and documentation of clinical progress on the formative evaluation tool and

weekly reflection journal. Final assessment of students clinical performance will be documented on assessed on the N-203 Clinical Summative Evaluation Form. **See CT-CCNP Student Handbook for information regarding the clinical evaluation process.**

- Pass required clinical skills validation. Two (2) opportunities will be given to pass the skills validation if necessary.

Lab Component

- Attend Mental Health, Neurologic Assessment, Patient Emergency Labs
- Complete Neurologic Assessment Validation
- Complete lab referrals, tutoring, clinical improvement forms and/or remedial assignments made by an instructor

STUDENT RESPONSIBILITIES

Complete and sign the CT-CCNP Student Nursing Handbook addendum(s) as provided by course leader. It will be kept in the student file.

Disability Statement

If you have a question regarding a disability that may affect your progress in this course, please contact one of the college's Disability Service Providers as soon as possible. Chris Scarborough (215-9289) generally works with students who have learning disabilities or attention deficit disorder. Kathleen Gray (215-9248) generally works with students who have physical, visual, hearing, medical, mobility, and mental health and psychiatric disabilities. Matt Liscum (215-9265) also works with students who have disabilities.

Theory/Classroom

- Students will be expected to participate in student learning activities: discussions, role play, simulations, material review and lab practice. Practice enhances the learning experience and allows students and instructor the opportunity to learn from each other.
- Students will be expected to submit selected clinical assignments to e-Portfolio.
- Grades may be withheld until assignments are completed and/or posted to e-Portfolios
- Students are reminded that classroom demeanor is a vital part of participation
- Students should behave appropriately at all times and are asked to practice common courtesy, recognizing each person's right to learn in an atmosphere conducive to the learning experience.
- Students who violate the rules of courtesy and/or professional demeanor will be asked to leave.
- Tardiness and leaving early as well as absences have a direct impact on student learning.

Exams

- Test answer sheets will be distributed at 8:15 am, exam booklets at 8:30 am
- Students are required to complete the answer sheet as directed, which includes student name, **Accurate** Banner ID number and correct alternate test designation.
- Students will have one hour to complete exams and 2 hours to complete the final exam
- Students may not leave the exam room for any reason and return to the exam
- All books, coats, backpacks, bags, etc. must be left in your car or placed in the front of the exam room
- Eating and/or drinking are not permitted during exams
- Students may not wear hats during exams
- Calculators will be provided by the school for mathematical calculations.
- Wooden #2 lead pencils are to be used, no mechanical pencils
- Anyone who looks at another student's exam or who is seen talking either to themselves or to someone else during the exam may receive an exam grade of 0
- Exam scores will be posted on Bb/Vista no sooner than 48 hours after the exam
- Tardy or absence
 - It is expected that all students will be present and punctual for exams. In the event that the student will be absent for personal illness, the student must notify the course coordinator prior to 8 a.m. on the morning of the exam.
 - Planned absences for vacations are not valid reasons for missing an exam.
 - If warranted, one cumulative makeup exam will be offered at the end of the semester. Make up exams are graded on a raw score basis.

Clinical and Lab

- Must be completed to successfully meet objectives. Students who do not complete clinical and clinical laboratory hour requirements may receive a grade of Incomplete. All absences must be made up, including both clinical, lab, and observational experiences. Students are strongly encouraged to avoid clinical/lab absences for personal reasons other than student's own illness.

All clinical absences are to be made up as per the CT-CCNP Student Nurse Handbook.

Study Groups

Students are encouraged to form study groups which can meet in the lab or at a location of group choice. Tutors within the nursing lab are also available during posted hours of the Nursing Laboratory. Students are encouraged to be proactive in their learning and seek help independently. Referrals may be made by faculty for lab and theory improvement. The Nursing Lab and

Nursing Tutors are in place to promote success and retention. Students are encouraged to utilize these independent opportunities weekly.

Standardized Curricular Testing

Standardized ATI curricular testing is required and attendance is **mandatory**. Students are required to take practice and proctored exams. During the course of the semester students will submit proof of completion for the psychiatric-mental health, pediatric and medical –surgical nursing practice exams. In addition, at the end of the semester students will take the proctored cumulative ATI exam. **Completion of this exam is necessary to pass N203.**

Withdrawal Statement

If withdrawal occurs during the semester, the grade assigned for the course will be based on the College Withdrawal Policy as described in the College Catalog and the CT-CCNP Student Handbook. The last day for withdrawal for this semester is May12,2014.

Plagiarism and dishonesty:

“A student's written work is expected to be **original** and done independently unless otherwise indicated. Citations and references must be used to acknowledge the source and avoid plagiarism. Violations of academic integrity will be referred to the dealt with in accordance with the college policy.”

See CT-CCNP Nursing Student Handbook, College Catalog and Student Handbook.

Statement on penalty for academic dishonesty or plagiarism:

“Plagiarism is the unacknowledged use of another person’s words or ideas in your writing. Whether conscious or not, plagiarism is a serious offense. Evidence that you did not write material that you submit under your name can result in failure for the entire course. Refer to College Catalog for policy. Students are expected to:

Demonstrate academic integrity by not engaging in conduct that has as its intent or effect he false representation of a student’s academic performance, including but not limited to : (a) cheating on an examination; (b) collaborating with others in work to be presented, contrary to the stated rules of the course; (c) plagiarizing, including the submission of others’ ideas or papers (whether purchased, borrowed, or otherwise obtained) as one’s own; (d) stealing or having unauthorized access to examination or course materials; (e) falsifying records or laboratory or other data; (f) submitting, if contrary to the rules of a course, work previously presented in another course; and (g) knowingly assisting another student in any of the above, including an arrangement whereby any work, classroom

performance, examination, or other activity is submitted or performed by a person other than the student under whose name the work is submitted or performed. "Consequences are specified in the College Catalog and Student Handbook.

Nursing Student Handbook

Refer to the Nursing Student Handbook for detailed information regarding:

- Missed Exams
- Clinical Evaluations
- College Labs
- Attendance
- Required Clinical Equipment
- Professional Appearance in the Clinical Sites
- Return if withdraw
- Inability to return under certain circumstances
