COURSE DESCRIPTION: This course will explore all sides of the various issues that are currently being discussed by politicians and the electorate in America. These issues may include immigration policies, anti-poverty programs, gay and lesbian rights, legalization of marijuana, campaign finance reform, America's health care system, the USA Patriot Act, stem cell research, global warming, US military intervention abroad, abortion, gun control, crime. Since this is a seminar class, students will be expected to prepare multimedia presentations and participate in political debates to encourage independent thinking, critical analysis, and scholarly discussions.

REQUIRED TEXTS: Two textbooks that I have custom published, both entitled "Issues in Contemporary American Politics." I AM NOT EARNING A DIME OFF THESE BOOKS! Total cost: \$120.

ATTENDENCE: It is important that you attend class; you cannot learn if you're not there. Numerous unexcused absences (more than 5 unexcused absences and/or disruptions) will affect your grade. It is your responsibility to get all notes, materials, and assignments for any classes that you miss. If you regularly miss class, or are consistently late and/or consistently leave early, that will be a clear signal to me that you do not care about grade.

INCOMPLETES AND EXTRA CREDIT: NOT available

I expect all of my students to have the integrity and character to be honest at all times. Students caught cheating will get a “0” on that test, and it will not be dropped. In addition, you may get an “F” in the class regardless of your average.

We will at times discuss issues which people have different opinions about. Please remember to respect each other and act civilly at all times.

Ten points per day will be deducted from any assignment that is late. In the real world, those who can't meet deadlines are fired.

Snow: In the event of wintery weather, please listen to 106.5, Q105, I-98, 1350AM, or WSUB for cancellations. If you do not hear that Three Rivers Community College is closed, that means we are open. You can also look at the website www.trcc.commnet.edu or call the switchboard at 886-0177 for weather info. If you do not hear we are closed, TRCC is open and class will be held. However, if you believe that it is too dangerous to come to class, that's understandable; you are still responsible for finding out what you missed (see tentative course outline on third page) and learning that material.

*** The best way to study for my tests is to study my lecture notes and the homework I assign. It is important that students learn ALL of the definitions we discuss in class; toward that end, students will find making “flashcards” with the word on one side and the definition on the other useful. These flashcards can be used to learn about the various graphs we discuss as well.
