Course Description: Students will learn the fundamentals of speech communication. They will learn to deliver, discuss, and respond to presentations of increasing complexity. Emphasis will be placed on organization, analysis, and elements of speech delivery, including effective verbal and non-verbal aspects of communication.

Policies: (Please read carefully.)

Regular attendance is **essential and expected** for active participation and fair evaluation.

Materials and activities covered in class for future preparation is timely and necessary for optimum learning and evaluation. Much in-class work cannot be made up and your presence for *active listening* is vital to speech improvement. Absences may affect your grade. **Since the class meets only once a week, more than 2 absences will most likely reduce your grade.**

If a class must be missed, it is not necessary to explain your reason. If you do miss a class, come to the next class prepared with readings completed and speech prepared if appropriate.

Due date of speeches must be adhered to. Please do not come in and ask if you can give your speech in the next class because you are not prepared for whatever reason. The syllabus gives presentation dates, so you will know far enough ahead to prepare. If you are not prepared with your outline and speech, you will be afforded one opportunity to do a make up for one speech. Afterwards, any late outlines/speeches will lose a full letter grade for being presented a class late. No outlines or speeches will be accepted if they are more than one class late, and the student will earn a zero for those assignments.

Assignments and Grading:

Class Participation.....20%
(includes coming to class on time and prepared, fully participating in class discussions, and completing homework assignments)

Classroom Assignments.....10%

Narrative Speech.....	20%
Entertaining/Inspirational Speech	20%
Persuasive Speech.....	20%

Major Speech Requirements – Read Carefully:

Outlines **must** be word processed and submitted before your major presentations. They will **not** be accepted hand written or in unacceptable format.

Speeches must be on varied topics. Topics must be conducive to an academic setting, important to you and relevant to the class.

Use current and credible sources and include MLA bibliography with required Topic Outline for Persuasive speech.

All speeches in a category are **due the first day** for everyone.

A self-evaluation is due the next class for all speeches.

Please DO NOT enter the room while a speech is in progress.

Tardiness causes disruption. An occasional tardiness is understandable; routine tardiness and leaving class early distracts and **will** affect your participation grade.

Regular attendance, cooperation, thoughtful responses, and helpful peer evaluations create a stimulating learning atmosphere.

Behind all good speaking is good thinking! Your topics should be important to you and relevant to the class.
