College Withdrawal Policy:

A verbal “drop or withdrawal” from course(s) will be accepted through the 10th week of classes in accordance with the designated withdrawal deadlines. Students will need to provide the following information: full name, address, date of birth, student identification number and social security number, course reference number (CRN), description/subject and instructor’s name, if VA / FA benefits, Verbal drops or verbal withdrawals are processed through the Registrar’s Office and Subase site ONLY.

Instructor’s Attendance Policy:

Consistent attendance at class sessions is crucial to success in this course. Class instruction provides an opportunity for you to observe, comprehend, work on in-class assignments, ask questions, and participate in discussions. Therefore, you are expected to attend classes in order to receive full benefit from this course. Attendance tends to have a strong influence on a student’s successful completion of the course. Please notify the instructor if you will not be attending a class session. Any more than 3 excused absences may result in points off of your final grade.

Academic Integrity Policy

Academic integrity is essential to a useful education. Failure to act with academic integrity severely limits a person’s ability to succeed in the classroom and beyond. Furthermore, academic dishonesty erodes the legitimacy of every degree awarded by the College. In this class and in the course of your academic career, present only your own best work; clearly document the sources of the material you use from others; and act at all times with honor. (You must submit your own work. If it is determined that you have submitted another student’s work as your own, disciplinary action will be brought against both you and the other student. Academic dishonesty will not be tolerated.)

Cellular Phones and Beepers:

Students are notified that cellular phones and beepers are allowed in class or in the Learning Resource Center only if they are turned off or turned to a silent mode. Under no circumstances are phones to be answered in class. When there are extenuating circumstances that require that a student be available by phone or beeper, the student should speak to the instructor prior to class so that together they can arrive at an agreement.

Disabilities and Learning Difference Statement:

If you have a question regarding a disability that may affect your progress in this course, please contact one of the college’s Disability Service Providers as soon as possible. Chris Scarborough (892-5751) generally works with students who have learning disabilities or ADHD. Kathleen Gray (885-2328) generally works with students who have physical, visual, hearing, medical, mobility, and psychiatric disabilities. Matt Liscum (383-5249) also works with students who have disabilities.

Early Warning Policy:

Students experiencing academic difficulty and/or chronic absenteeism will be notified of their class standing.

Notification of Cancelled Class:

If circumstances allow, I will post an announcement in Blackboard Vista if I am unable to attend a class. Obviously, if the College has announced a full college closing, I will not be in attendance.

Additional Comments:

If you do not have a computer or the required software (Office 2007) to complete assignments at home For assignments and exams that need to be done out of there is a computer lab available for student use for both day and evening hours Monday through Sunday. See the computer lab attendant for specific hours of operation.
