Evaluation methods

Attendance and Class Participation	20%
Review of Articles	10%
Homework/Internet Research Assignments and Readings	20%
Case studies/oral presentations and quizzes	20%
Final paper	30%

100%

Letter Grades:

Final grades will be determined by applying the percentages listed above to the work submitted. A student should retain all assignments for the semester. In the event that a student disagrees with the grade he/she earned, the student must produce all work to support the contention that a grade was incorrectly awarded. If a student is unable to produce all work, the instructor's grade book will be considered accurate.

A = 100 - 90 B = 89 - 80 C = 79 - 70 D = 69 - 60F = 59

Withdrawals:

If for any reason, a student is unable to complete the course, he/she must follow the college policy and officially withdraw from the course. Appropriate forms are available at the Records Office. A grade of **W** will be recorded for all withdrawals. If a student does not withdraw, he/she will be awarded the letter grade earned. Once a grade is officially recorded with the Registrar, the grade will NOT be changed at a later date. There will be NO exceptions to this policy.

An Incomplete is a temporary grade assigned when course work is missing and the student agrees to complete the course requirements. An \mathbf{I} will be given only for work unfinished because of illness, accident or other unavoidable absence and when the instructor determines that the student has a reasonable chance of successfully completing the required work.

A student will be issued an Incomplete ONLY if he/she makes direct contact with the instructor, prior to Final Exam Week and a written description of the work to be completed is signed by the student. A student will have ten weeks to make up an Incomplete. If the work is not completed within that period of time, the I will convert to an appropriate letter grade.

Assignment Sheet

You will be given an Assignment Sheet. Topics for each class and due dates are detailed. All requirements are due at the beginning of class on the specified date, even if you are absent.
