### PORTFOLIOS

All students are expected to have a portfolio with all of your assignments. I will collect this at the end of the semester. I will keep all portfolios.

**Withdrawal:** The last day to drop this class is May 10<sup>th</sup> 2010.

**Incomplete:** An incomplete must be finished within 60 days of the last day of the semester.

**Disabilities:** If you have a disability that may affect your class performance please come see me as soon as possible.

**Cheating/Plagiarism:** Any student caught cheating or plagiarizing will receive a zero for that assignment. You are allowed to work in groups and may research topics together but your papers must be your own work.

Plagiarism is the submission or presentation of ideas or work in any form that are not one's own without appropriate acknowledgement of the source(s). Even with the acknowledgement, close paraphrasing can constitute plagiarism. You may quote the work of others if properly referenced.
