12/29/2010 Final Grades available on web: www.trcc.commnet.edu

## **GRADING POLICY**

- There will be four tests each worth 75 points. These four tests are taken online.
- The Final Exam is worth 500 points and must be taken at a proctored testing site.
- The average of all homework and quizzes on MyMathLab is worth 100 points.
- One project (TBA) worth 50 points.
- There are two required online postings: you will receive 25 points for introducing yourself and you will receive 25 points for posting a problem and its solution. Details will be given at a later date.

Your final grade will be the sum of the four tests, the final exam, the homework and quiz average, the project, and the two online postings. This means that the final exam is weighted as 50% of your grade.
