Educational Objectives:

To introduce you to the basic accounting principles and concepts, the accounting cycle, and financial statements.

Grading and Classroom Policies:

The grading policy is as stated in the Manual of Policy and Procedures on Grades and Quality Points.

Point/Grade Distribution is as follows:

A 93-100	C+ 77-79
A- 90-93	C 73-76
B+ 87-89	C- 70-72
B 83-86	D+ 67-69
B- 80-82	D 63-66
	D- 60-62

A grade below a 60 is an "F"

Grading and Classroom Policies:

There are four semester exams in addition to the average of the homework assignments. The homework assignments are counted as a semester exam. If a semester exam is missed, it is a zero. I will drop the lowest semester exam grade (Exam 1, 2, 3, 4) or the homework average.

Homework Manager:

The website address is on your course homepage and there is a hyperlink on this syllabus. You will have until the end of the semester to complete the assignments. I strongly urge you not to wait until the end of the semester to do them, but to keep up each week. You will have an unlimited number of submissions for each assignment. This approach allows you to practice and get a good grade on the assignments. The average of the assignments will count as one semester exam. Please note that the homework assignments will not be accepted through email.

Attendance Policy:

Participation in the chat rooms and conference calls is optional. I provide these sessions to allow you to ask questions in real time. Every 10 days or so, I will schedule chat sessions and/or conference calls.

Withdrawal Policy:

A student who finds it necessary to discontinue a course must complete a "Withdrawal Request Form" in the Registrar's office. Students who do not withdraw, but stop attending, will be assigned an "F" signifying a failing grade. Eligibility for a refund of tuition is based upon the date of withdrawal when received by the Registrar.

Disabilities Statement:

If you are a student with a disability and believe you need accommodations for this class, it is your responsibility to contact the Disabilities Counseling Services at 383-5240. To avoid any delay in the receipt of accommodations, you should contact the counselor as soon as possible. Please note that I cannot provide accommodations based upon disability until I have received an accommodation letter from the Disabilities Counselor.

Academic Integrity:

Any student who cheats on an exam will receive a grade of ZERO for the exam. Any subsequent cheating will result in a ZERO for the course and possible suspension from the College.

Student/Professor:

I have an open door policy. Please communicate to me any difficulties, problems or emergencies that arise. I will be as flexible as possible.

Course Assessment:

To obtain a grade for this course, each student may have to take an assessment exam which will be used for TRCC accreditation purposes only. Further discussion throughout the semester will follow.

Learning Outcomes:

- Construct /analyze/interpret basic financial statements (service and merchandise firm).
- Identify basic principles of internal control.
- Demonstrate knowledge and application of plant asset accounting and reporting.
- Identify and demonstrate knowledge of basic characteristics of a partnership and related equity accounting.
- Identify and demonstrate knowledge of basic characteristics of accounting for long-term liabilities.
