There are four semester exams and an *Optional* cumulative final exam. If a semester exam is missed it is a zero as there are no make-up exams given. The optional cumulative final exam can be used to drop the lowest exam grade. *A project or writing assignment may be required and will be used in calculating your grade.*

A student who is late on an exam day will NOT be admitted to the exam room once any student has completed the exam. Please exhibit classroom etiquette and put any electronic paging devices or cell phones in the off or silent mode.

Attendance Policy:

This course is designed so that students will benefit not only from the text but also from class attendance and participation. You are, therefore, expected to attend class regularly. If you are late for class, or if you must leave early, please take a seat near the door.

Withdrawal Policy:

A student who finds it necessary to discontinue a course must complete a "Withdrawal Request Form" in the Registrar's office. Students who do not withdraw, but stop attending, will be assigned an "F" signifying a failing grade. Eligibility for a refund of tuition is based upon the date of withdrawal when received by the Registrar.

If you are a student with a disability and believe you need accommodations for this class, it is your responsibility to contact the Disabilities Counseling Services at 383-5240. To avoid any delay in the receipt of accommodations, you should contact the counselor as soon as possible. Please note that I cannot provide accommodations based upon disability until I have received an accommodation letter from the Disabilities Counselor.

Academic Integrity:
