Assignments

To begin,

- Please become familiar with the **discipline, health, safety, and office policies and parent, staffing and curriculum guidelines** before you jump in.

- Begin your placements, spending time **OBSERVING** and getting to know your school's procedures and philosophies. Please allow time to reflect before diving in. Ask your supervising teacher which method best fits the classroom needs. **ALL PLANS SHOULD BE PREAPPROVED** by the onsite supervisor. **YOU MUST USE THE LESSON PLAN** provided by the State Dept of Ed. Student Teaching II Units with 6-8 lessons and individual modifications.
- Each student is responsible to create a portfolio that documents how they have met their student teaching objectives while in their placements. This is a significant component of this course. Additionally, Documentation Boards will be submitted to create a visual of personal contributions and community building.
- Personnel Procedures and Policies: Standard OSHA procedures and State Employments laws should be followed. For many of you, this may be their first time in a professional setting. **Ask about personal phone calls, sick and tardy standards, dress codes and overall personnel expectations should be outlined from the beginning.**
- Each student is required to attend a bi-monthly Practicum Support and Methods class; these classes meet every other Tuesday from 4:30 to 5:45 at the college. We discuss daily events, classroom methodologies and try to

supplement the student's experiences with professional readings and round table discussions. Course readings and articles are required.

- Each of you are required to complete a bi-monthly summary sheet. You should email this to me and keep up a weekly hard copy in your portfolio. Additionally, if you want to have your site supervisor contact me, I would welcome the news. Please tell them to feel free to contact me at kdperkins@trcc.commnet.edu.
- You will be evaluated by your school, twice during the semester (mid-term and at the end of the semester). You will also complete self reflection evaluations mid-semester and at the end of the semester.
- Finally, during the semester, I will be visiting you at your site at

least two times.. Typically, the first visit occurs in the morning in September and then again in November... **You are responsible to prearrange these dates with your sites and to verify them with your instructor in advance.** My first visit is a friendly, "how do you do?"; the second is a formal evaluation.

Additional Requirements:

- When possible please ask to be included in parent teacher conferences and/or teacher meetings and/or teacher prep time.
- You must submit a Time Sheet of hours and activities engaged in while fulfilling the 125 hours student teaching requirement; this form must be signed by your supervisor. This form should be included in your final portfolio.
