Upon successful completion of ASL I, students will be competent ~ receptively and expressively ~ in the following areas:

- Demonstrate the ability to select, produce, and use appropriate sign vocabulary for clear and accurate communication.
- Apply the appropriate grammar and syntax by using facial expression and body language to communicate in sign language effectively.
- Develop understanding of Deaf culture, differences between Deaf and Hearing cultures, and insight of the experiences of being deaf when communicating in a hearing world.

•Classroom Participation – 10%

In order to learn American Sign Language, one MUST participate in using it. Attendance will be recorded. I recognize that there are extenuating circumstances where one must miss a class. Please notify me in advance of class if you are going to be absent. (See my contact information on the last page of the syllabus.) You will be allowed two (2) “free” absences that will not impact your grade. Additional absences will be recorded as a zero (0). Leaving class early by 15 minutes (or more) or arriving late by 15 minutes (or more) will result in a lowered participation grade for that class. Class participation will be graded on 100 points at every class meeting as follows: Preparation (this includes all homework/assignment completion), Timeliness, Class Interaction, Focus*, Responses/Volunteerism. * If you are using your cell phone or the like, you will lose participation points and may be asked to leave the classroom. **NOTE:** The 11/13 class requires a posting no later than 11:59 PM on November 12th which equals 75% of that class participation grade.

•Exams– Midterm 10% (10/30/18)

Final 20% (Part 1~11/27/18 & 11/29/18); Part 2~ 12/13/18)

There will be two exams. The midterm will include the evaluation of expressive/receptive skills as well as a written component. The first half of the final requires students to create a game related to Deaf Culture to be shared with the class on 11/27/18 & 11/29/18. **All** games are **due** on 11/27/18. **NO TIME EXTENSIONS for Part 1.** The second half of the exam is a Signing Meal with members of the Deaf Community. There will be **no make-up for the interactive portion of the final (Part 2).** The midterm must be made up within one week unless I have certification of hospitalization for you or a member of your family or a death in the immediate family.

•Quizzes – 10% (7): 8/30, 9/11, 9/18, 10/4, 10/25, 11/27, and 12/11

Quizzes will be used to assess your progress and to show you where you need to focus your energy. There will be 7 quizzes (lowest grade will be dropped; **Q1 & Q2 cannot/will not be dropped**). You are signing for your classmates unless otherwise noted.

•Logs – 15% (Due 11/15/18 ~ NO TIME EXTENSIONS)

Each student will be required to watch three television shows. Each show must be viewed for at least 30 minutes including commercials. With the exception of the news, each must be a show that you are **not** familiar with. Neither volume nor closed-captions may be used. (News, drama, comedy **only**.... **NO sports events, cartoons, animated shows, claymation, ‘how to’ shows, game shows, competitions, talk shows, award shows, ventriloquists, etc!**) This assignment is to build empathy ~ I **do not** want a summary of your viewings. After watching the show, a paper is to be written **describing your experience/your feelings**. Each viewing will be one (1) page typed or neatly written using the following guidelines and those in the TV Viewing Log packet. Points will be taken off for spelling errors and grammatical mistakes. Hint: Utilize spell check/grammar check programs or a dictionary; proofread what has been written.

- ❖ Each paper is a representation of YOUR thoughts. YOUR feelings or beliefs, YOUR impressions, YOUR agreements / disagreements and why. It is NOT a summary of the show! It doesn’t matter to me what the show was about ~ I want to know what you

were feeling/experiencing during the activity. Points will be taken off for not following the directions for this assignment. The purpose of the assignment is not to critique or summarize a TV program but rather to experience what it is like not to hear. It is an empathy builder.

- ❖ Reflect on how this experience / activity has impacted you?
- ❖ How will you use this information?
- ❖ Does this information/activity change the way that you think? How and why?

• **Essay - 5% (Due 11/13/18 ~ NO TIME EXTENSIONS) See Digication**

A packet of articles will be available on Blackboard (hard copies upon request). Use these articles to assist with writing an essay. There are two 'types' of articles. Some are serious documentations of particular topics and others are less serious and often perceptions or experiences from Deaf individuals. Pick two articles to compare and contrast for the essay. Points will be taken off for spelling errors and grammatical mistakes.

Hint: Utilize spell check/grammar check programs or a dictionary.

The focus of the essay will be **one** of the following:

- How did this information change or impact the deaf/Deaf community?
- How do you feel this information impacts the deaf/Deaf community in the 21st century?
- How do you think the deaf/Deaf community feels about this topic?

• **Digication ~ All students are required to maintain an online learning portfolio in Digication that uses the college template.**

As a student you will maintain an online learning portfolio using a college-designed template in Digication. Through this electronic tool you will have the opportunity to monitor your own growth in college-wide learning. It may even help you determine a major that is best suited to you. You will be able to keep and maintain your learning portfolio after graduation. A Three Rivers General Education Assessment Team will select and review random works to improve the college experience for all. If your work is selected and reviewed for assessment purposes, it will remain anonymous and private. Digication provides a "place" where you will connect your learning from the classroom, college, and life in general. Sometimes when you review all of the work you have done and think about it, you end up learning something different and perhaps unexpected. Please review your course outlines to determine what assignments* to upload into the TRCC Digication template and please post your own choices, as well. Have fun in learning!

•**Documentary/Questions – 10% (Due 11/15/18 ~ NO TIME EXTENSIONS)**

The documentary, THROUGH DEAF EYES, is no longer available through Films on Demand but is available in the TRCC library. I have also posted links on Blackboard.

You are responsible for viewing this documentary. The questions are available on Blackboard should you misplace the copy I've given you. You will need the questions during the viewing. The documentary questions are due on 11/15/18 but may be submitted earlier. **NO TIME EXTENSIONS.**

•**Presentation – 15% (Due 12/4/18 & 12/6/18)**

Each student will be required to sign for a minimum of 1 minute/maximum of 3 minutes on a topic of their choosing. This may be done alone, with a partner, or in a triad. (See Paula for partner and triad times.) There must be a visual associated with the presentation ~ not having a visual will result in the lowering of your presentation grade by two (2) full letter grades. (If the signed presentation was worthy of an A but there was no visual the presentation will receive a C.) Failure to adhere to the minimum time requirement will result in a presentation grade of zero (0). All must be prepared to present LIVE on 12/4.

•**Homework – 5%**

All assignments are posted in more than one location in the syllabus. Your 'ungraded' homework (reading the text, practice activities) will be part of the your class participation grade. There will be five graded homework assignments that will be either from your text or workbook (**MASTER ASL! LEVEL 1** or **MASTER ASL! FINGERSPELLING, NUMBERS, AND GLOSSING**). Graded homework will be listed as HW 1, HW 2, etc.

MAKE UP WORK:

1. All assignments are due on or before the date posted ~ **no time extensions.**
2. Missed quizzes need to be scheduled with Paula and made up within one week. Any quiz that is not made up will receive a grade of 0. It is the responsibility of the student to make the arrangements.
3. Missed in-class activities cannot be made up due to the nature of the activities.
4. There is no make-up for the final exam; the midterm must be made up within one week.
5. This course does not offer extra credit work. A bonus question is offered on the midterm. (Anyone taking a make-up midterm will not receive the bonus question.)

MISCELLANEOUS EXPECTATIONS AND INFORMATION:

Class begins promptly at 5:00 p.m. and procedures will not be delayed to accommodate late comers. Consistent practice using sign is of utmost importance if students are to master the language. Therefore, students will be expected to spend time outside of class practicing the language of native signers which students will find helpful to view. Any public library will have or be able to get through inter-library loan videos and books on ASL. Before utilizing sites (other than the ones in this syllabus), please check with Paula .You will

also be notified of any events where you can have the opportunity to use your new language skills.

EARLY WARNING:

If you are having ANY difficulty, for any reason, please see me as early as possible to discuss ways of assisting you to be successful in this class. I will notify you on 10/25 which is the class before the midterm if your grade is lower than average (C 74–76%).

CANCELLATION (by Instructor): If I need to cancel a class, I will contact each student via email, text, or phone. Unless the college cancels classes (ie due to weather), expect to meet for class.

ACADEMIC INTEGRITY (as found in the Student Handbook)

"The effective operation of any organization is dependent on the honesty and goodwill of its members. In an organization devoted to the pursuit of knowledge, acting with integrity is essential to effective teaching and learning. Furthermore, academic dishonesty erodes the legitimacy of every degree awarded by the College. To emphasize the importance of academic integrity, Three Rivers Community College adheres to the following policy in addition to the Student Discipline Policy, sections 2:10 and 3:1-10, as provided by the Board of Trustees of Connecticut Community Colleges. Since collaboration is central to the learning community, Three Rivers wishes to emphasize that this policy is not intended to discourage collaboration when appropriate, approved, and disclosed.

General Definition of Academic Dishonesty

Academic Dishonesty shall in general mean conduct which has as its intent or effect the false representation of a student's academic performance, including but not limited to (a) cheating on an examination, (b) collaborating with others in work to be presented, contrary to the stated College Policies rules of the course, (c) plagiarizing, including the submission of others' ideas or papers (whether purchased, borrowed, or otherwise obtained) as one's own, (d) stealing or having unauthorized access to examination or course materials, (e) falsifying records of laboratory or other data, (f) submitting, if contrary to the rules of a course, work previously presented in another course, and (g) knowingly and intentionally assisting another student in any of the above, including assistance in an arrangement whereby any work, classroom performance, examination or other activity is submitted or performed by a person other than the student under whose name the work is submitted or performed.

Academic integrity is essential to a useful education. Failure to act with academic integrity severely limits a person's ability to succeed in the classroom and beyond. Furthermore, academic dishonesty erodes the legitimacy of every degree awarded by the College. In this class and in the course of your academic career, present only your own best work; clearly document the sources of the material you use from others; and act at all times with honor."

“The Board of Regents for Higher Education (BOR) in conjunction with the Connecticut State Colleges and Universities (CSCU) is committed to insuring that each member of every BOR governed college and university community has the opportunity to participate fully in the process of education free from acts of sexual misconduct, intimate partner violence and stalking.”

Title IX Statement of Policy:

“Title IX of the Education Amendments Act of 1972 protects students, employees, applicants for admission and employment, and other persons from all forms of sex discrimination, including discrimination based on gender identity or failure to conform to stereotypical notions of masculinity or femininity. All students are protected by Title IX, regardless of their sex, sexual orientation, gender identity, part or full-time status, disability, race, or national origin, in all aspects of educational programs and activities.”
