Academic Integrity:

Academic integrity is essential to a useful education. Failure to act with academic integrity severely limits a person's ability to succeed in the classroom and beyond. Furthermore, academic dishonesty erodes the legitimacy of every degree awarded by the College. In this class and in the course of your academic career, present only your own best work; clearly document the sources of the material you use from others; and act at all times with honor.

Plagiarism:

Plagiarism is the unacknowledged use of another person's work or ideas in your writing. It is often known as copying word-for-word. However, even paraphrasing without acknowledgement or using the ideas of peers garnered from class discussion or a study group is considered plagiarism. Whether it is conscious or unconscious, plagiarism is a serious academic offense. Your writing for this course, and any other course at TRCC, is expected to be original, and the product of your own thinking. A student who has plagiarized will receive a ZERO on his/her assignment and may be reported to the Academic Dean and/or Student Services Dean for disciplinary action.

Technology Statement:

The use of **cell phones** or other technological devices is **not permitted during class time**, unless deemed appropriate by the instructor.

Electronic Learning Portfolios:

As a student you will maintain an online learning portfolio using a college-designed template in Digication. Through this electronic tool you will have the opportunity to monitor your own growth in college-wide learning. It may even help you determine a major that is best suited to you. You will be able to keep and maintain your learning portfolio after graduation. A Three Rivers General Education Assessment Team will select and review random works to improve the college experience for all. If your work is selected and reviewed for assessment purposes, it will remain anonymous and private. Digication provides a "place" where you will connect your learning from the classroom, college, and life in general. Sometimes when you review all of the work you have done and think about it, you end up learning something different and perhaps unexpected. Please review your course outlines to determine what assignments to upload into the TRCC Digication template and please post your own choices, as well. Have fun in learning!

Email:

Correspondence by email is considered a method of formal communication. Emailing an instructor is not the same as emailing or texting a friend. Please use a proper salutation, complete sentences, punctuation, proper spelling and identify yourself by name in the body of the email. Students must use their college issued email account. College issued email is the official mode of communication used by the college to contact students.

Class Cancellation:

To determine if the college is closed, please visit the TRCC webpage at http://www.trcc.commnet.edu/ and/or sign-up for notification through MyCommNet ALERT.

College Withdrawal Policy:

Course withdrawals are accepted up until the week before classes end. Withdrawal forms are available online or at the Registrar's office. The withdrawal does not have to be signed by the instructor but it is strongly advised that you speak with your instructor before withdrawing. If necessary, you can withdraw over the phone by calling the Registrar's Office at 860.215.9064. Emails and faxes are also accepted. If you are receiving financial aid, it is strongly recommended that you contact the <u>Financial Aid Office</u> before withdrawing. Withdrawal may affect your financial aid for current and/or future semester(s). It is your responsibility to confirm that the withdrawal has been received.

The last day to withdraw online from the Fall 2018 semester is December 9, 2018

Class Attendance and Homework:

<u>Class Attendance is expected and vital</u> (see Classroom Participation below). Missing class will negatively impact your grade. You are expected to arrive on time, ready to take notes at the beginning of each class.

I do not accept late work in this class. If you know you are going to miss a class, please speak with me in advance to make appropriate accommodations. Your missed work will need to be turned in on the day you return to class after your excused absence. I do not accept emailed assignments.

Evaluation Criteria:

This course demands active involvement in the learning experience accompanied by reading and writing activities that capture those experiences. The nature of the course content requires critical thinking skills to be learned, developed, and applied.

The following criteria will be considered in evaluating student performance:

- a. Classroom participation and in-class assignments
- b. Weekly homework assignments
- c. Quizzes
- d. Midterm and final exams
- e. Career Exploration Assignment
- f. Demonstrated participation in a college activity
- g. Non-academic goal

a. Classroom participation and in-class assignments

Lateness and absences will have a negative impact on your grade. There will be periodic in-class graded assignments throughout the semester. If you are absent on the day of an in-class assignment, a make-up assignment will not be provided. "80% of success is showing up..." ~ Woody Allen

b. Weekly homework assignments

Reading and writing assignments are designed to provide opportunities for further exploration of ideas or for confirmation of understanding. All reading and writing assignments are due at the next scheduled class meeting (unless otherwise noted). Weekly assignments should be typed using MLA format, unless otherwise noted by the instructor.

c. Quizzes

Required reading from the classroom text will often be assigned as homework. Students will be given a total of three (3) quizzes that specifically relate to the assigned reading assignment. The quizzes will be administered at random throughout the semester. Quizzes are to be completed in the first 20-minutes of class time. **No makeup quizzes will be given.**

d. Midterm and final exams

During the semester there will be a midterm and final exam. Exams will consist of (but will not be limited to) multiple choice, short answer, true/false, matching, and essay questions. Exams cannot be made up unless arrangements have been made with the instructor *prior* to the time of the exam.

e. Career Exploration Assignment

This multi-part assignment will help you design a realistic plan for accomplishing your coursework and educational goals. Details of the assignment will be distributed throughout the semester.

f. Demonstrated participation in a college activity

Each student will participate in at least one Three Rivers Community College sponsored event or function and will submit a typed paper that critiques the experience.

g. Non-Academic Goal (NAG)

Students will be required to set a non-academic goal to be obtained by semester-end. The project requires the student to set short, mid, and long-term goals; manage his/her time; and present a 3-5 minute oral presentation at the end of the semester. More information will be provided for this project throughout the semester.
