Need Help with Math? English? Science? Don't Know How to Start an Assignment?

We're here to help!

TutorTrac

Directions to schedule an appointment to work remotely with a tutor using TutorTrac.

1. Log into TutorTrac: https://trcc.go-redrock.com using your TRCC credentials.
2. Click on the Search Availability tab on the left.
3. Choose Tutoring Center for an appointment regarding subject content such as Math or Science.
   Choose Writing Center for an appointment regarding a writing assignment for any subject.
4. Select the class for which you need an appointment under Section.
5. Adjust the dates, times and days to fit your availability and click Search. If you do not find any available appointments, try adjusting your availability.
6. Choose a tutor and time slot for your appointment.
7. Your tutor will then send a message to your student email telling you where to go for your appointment.
