Three Rivers Community College Library Diversity 365 Gallery—Exhibition #1

The TRCC Library would like to invite the faculty of the CSCU and UConn systems to submit art for the upcoming Diversity 365 Gallery exhibition!

The Library at Three Rivers Community College has created an exhibition space called the **Diversity 365 Gallery**. The goal is to create a permanent collection of two-dimensional art that will celebrate and explore the themes of diversity, equity, and inclusion.

Artists submitting two-dimensional work for Exhibition #1 must be current, retired, or adjunct faculty members within the CSCU or UConn system. Subsequent shows will feature the work of staff, students, and the general public.

The first Diversity 365 exhibition will open February 1, 2022 and run through April 12, 2022.

Work from all artists is welcome, and artists of color are encouraged to apply.
