## Exhibition #2

# Students & Staff!

We invite you to contribute to our next wall of art!

The Library at Three Rivers Community College is inviting students and staff in the CSCU system to submit two-dimensional art, in any medium, for our second exhibition in our new **Diversity 365 Gallery**.

As part of our process to identify art to purchase for a permanent collection for this gallery, we seek art that will explore themes of diversity, equity, and inclusion.

Artists submitting two-dimensional work for Exhibition #2 must be current staff or currently enrolled students within the CSCU system. View the submission instructions as well as the complete prospectus at: <https://www.trcc.commnet.edu/learning-resources/library/diversity365gallery/>
